

PASS Member Doug Lowe Honored With ATCA Award

Congratulations are in order for Chapter FL1 President Doug Lowe! Lowe will be recognized by the Air Traffic Control Association (ATCA) with its Airway Transportation Systems Specialists Award.

"All of our ATSSs are deserving of recognition for the work they do every day and it is a great honor to have one of our own acknowledged publicly," said PASS National President Mike Perrone. "Congratulations, Doug!"

The goal of ATCA's awards program is to acknowledge persons and/or organizations engaged in the development, operation, or maintenance of the worldwide air traffic control system for outstanding achievement. In his letter to Lowe, ATCA President and CEO Peter Dumont wrote, "Congratulations on your achievement and the great work you are doing to advance the science, safety, and efficiency of air traffic control."

Lowe will be honored at the 2020 Virtual Awards Recognition and Reception during ATCA Annual on Tuesday, December 8. All of PASS applauds the work of Lowe and all the employees the union represents.
